

## Neighborhood Spring Cleanup Day — April 26th

Well Foxboro neighbors, it looks like winter is finally over. The winter storms have left debris, tree limbs, and a general mess in our yards and throughout the common spaces in Foxboro. Spring is coming, the days are getting longer and warmer, and now we all can come out and begin the process of recovering from the Winter of 2014. We survived. Now we, as a neighborhood, need to begin to clean up the mess that winter left behind.

Let us first begin by cleaning up our own properties, getting rid of tree limbs, raking dead leaves, and doing a general cleanup of our properties.

Next let's meet as a community at the Foxboro Common on Foxboro Drive (the former pool property) on Saturday, April 26, at 9 A.M. We volunteers can then scour the roadsides, common areas, and entrances to pick up cans, bottles, and other debris. Adding to the mess left by nature, bottles, cans, paper cups, and boxes from fast food restaurants have been tossed alongside our Foxboro roadways by people who have no respect for our neighborhood.

Following the clean-up we will plant flowers at the entrance ways to make sure that Foxboro is ready for Derby and for spring. We are in need of flowers and plants. If anyone can donate them please send an e-mail to [info@myfoxboro.com](mailto:info@myfoxboro.com), or call Stan Domzalski at 426-8912.

Foxboro is your neighborhood, it's your home. Let all of us take pride in it and keep it clean and beautiful.

If you are willing to help clean up the neighborhood, please meet at Foxboro Common on Saturday, April 26, at 9 A.M. If possible, please bring a few garbage or yard waste bags as well as a rake, weed digger, gloves, etc.

Thank you for keeping your home (i.e. Foxboro) clean. Thank you for your support of Foxboro!

### Recent Email Failures

Some emails that have been sent recently have had a delivery failure for a few email addresses, including a recent move-in who provided an email as part of being welcomed to the neighborhood. If you have signed up to be on the neighborhood email list and are not getting those emails, please send an email to [info@myfoxboro.com](mailto:info@myfoxboro.com) with your updated email address. Also we still have quite a few insight email addresses. If you have changed your address, let us know.

### Did You Know?

Dogs must be kept in the owner's yard and not allowed to run into a neighbor's yard or into the street.

### Request to PayPal Dues Payers

Please help us cover the service charge Paypal charges us for each transaction by adding \$2 to your payment if you use PayPal.

Alternatively, we always accept checks.

# Thank You !!

A huge **thank you** goes out to those of you who paid your 2014 dues within the first quarter. The board members would love to get dues collected early in the year so we may focus on other neighborhood events and activities. For those who haven't paid, it's not too late — dues are still being collected.

## TANSTAAFL

My father had this on a sign hanging in his office when I was a kid. It has stuck with me all these years. What is TANSTAAFL you ask? It is a mighty big acronym that stands for "There Ain't No Such Thing As A Free Lunch". OK, so what? Why am I writing about it in this newsletter for the Foxboro Neighborhood? The answer is that it applies here as it does everywhere. As part of the duties of being on the **volunteer** board of the Foxboro Neighborhood, we monitor the email box. Sending and receiving email is a great way for the neighborhood to remain connected during our busy lives. That's right - busy lives. Everyone is busy and trying to serve this neighborhood - which we do on a volunteer basis with no compensation - can be extremely time consuming. Far and away the biggest time consumption is worrying about paying the bills. It takes so much time (and expense) to prepare invoices and get them hand delivered (no way can we afford postage) and to try and come up with a different message that might resonant with folks who choose to not pay the neighborhood dues. I have to imagine that the folks who choose not to pay feel that the neighborhood responsibilities do not apply to them. So OK - here's where the no free lunch has to come into the equation. If you do not care to pay dues then your email asking for assistance with this, that, and the other thing cannot be accomodated - there simply isn't enough time given that we have to go back to worrying about paying the bills for the neighborhood with a contribution rate of less than 50% of the households. To put it as simply as possible, emails asking for neighborhood services and assistance will only be responded to if your dues are paid for the year.

**2014 DUES:** The 2014 dues are still being collected. These funds are used primarily to keep the street lights on in the Foxboro neighborhood. You may also pay through PayPal by clicking on the [Pay Your Dues](#) link at [myfoxboro.com](#).

## Do You Have Ideas?

Do you have ideas for newsletter articles? Do you have ideas for the neighborhood in general? We need the help of all residents to keep Foxboro a great neighborhood that holds its property values and is a safe, fun place to live. Yes we need the dues paid, but we also need general involvement by more residents. This neighborhood can only be as good as we all make it. Submit any ideas — and / or express a willingness to get involved and volunteer — via the neighborhood email address: [info@myfoxboro.com](mailto:info@myfoxboro.com)
