

# Springtime Comes to Foxboro

## President's Letter

Dear Neighbors,

Due to the COVID-19 pandemic, we are postponing our May neighborhood meeting, and our guest speaker from Rumpke will be rescheduled.

We had planned to have a prize drawing at the May meeting for all those who have paid their 2020 dues. That prize drawing will also be rescheduled—so if you have not yet paid your 2020 dues, there is still time so you can be included in that drawing.

On another note, spring has sprung and the islands at the entrances of Foxboro have sprung to life. Since we cannot have a group “clean up the islands” day, we need your help to weed, trim and mow. This year, we need to be creative and split up the “to-do list”. If you have 30 minutes to spare, head to an island and weed around a tree, plant flowers or help mow. If we break the island “yard work” into small, manageable tasks, it won't be hard on any one person. Call me if you have questions or ideas (338-5249)

Lastly, take care of yourself and if you need help or know of a neighbor who needs help right now, PLEASE let us know.

Check in on your neighbors, especially if they are elderly. Support local businesses if you are able. Make time to connect with friends and family.

Know that you are not alone and PLEASE do not hesitate to reach out at [info@myfoxboro.com](mailto:info@myfoxboro.com).

Stay tuned for updates and be sure to follow us on Facebook.

Best wishes,

Norb
